ABOUT US

Austian's Risk Services, Inc., specializes in the development and management of safety and regulatory review processes as well as risk assessment and advisor services, expert witness services and underwriting risk analysis. ARS is a privately owned Oklahoma based company founded in 1989.

ARS' primary mission is to assist companies in the prevention of accidents, controlling accident related cost and regulatory compliance. ARS strives to exceed each client's needs to ensure maximum results are achieved. Our goal is to be the premiere risk management service company in the USA and abroad.

Management at Austian's Risk Services, Inc. would like to serve your company in one or all of the above services. We will do what it takes to give you the quality service you deserve.

Contact ARS at 405.799.8611

INDUSTRIES

ARS has serviced many different industries, however, the top 10 in no particular order are:

- 1 School Bus Transportation
- 2 City Transit/City Para-Transit
- 3 Farm Cooperatives
- 4 Trucking Industries (All types)
- 5 Warehousing and Distribution
- 6 Maintenance Shops
- 7 Food Processing Plants
- 8 Manufacturing
- 9 Retail Grocery
- 10 Construction Sites

ARS has helped many large companies turn their safety program around thus saving countless lives, injuries, property damage and millions of dollars.
